GLASS PACKAGING FOR PREMIUM BRANDS

AT STOELZLE, WE DON'T JUST MAKE GLASS, WE CREATE PACKAGING EXPERIENCES

We create glass packaging that connects brands and consumers. With decades of Food & Beverage expertise, we deliver premium craftsmanship, innovative design, and complete one-stop shop service - from the first sketch to the final decorated bottle or jar.

PURE QUALITY

Glass is naturally pure, safe, and taste-neutral.

TAILOR-MADE SOLUTIONS

Distinctive brands need distinctive packaging. We offer custom shapes, embossing, colors, and decoration, plus perfectly matched caps and closures, to create a cohesive brand experience.

RELIABLE PARTNER

With 220 years of experience, six modern plants, and four decoration facilities, we guarantee precision, flexibility, and dependable delivery.
You can count on us as a true partner in growth.

IN 3 STEPS FROM GLASS TO SHELF

1

YOUR CHOICE OF JAR OR BOTTLE

2

CUSTOMIZE THE GLASS

3

CHOOSE A CAP OR CLOSURE

OUR TEAM IS READY TO HELP YOU FIND THE PERFECT PACKAGING SOLUTION

PRODUCT DEVELOPMENT

The uniqueness of the product becomes more and more important stand out in the market. With Stoelzle you can design your own glass which matches perfectly to your product. This is the best way to present your product in the best possible light – exactly according to your ideas

DECORATION

One way to differentiate your product is to use different decoration techniques. You can apply images or lettering to the glass or simply colour it. Due to the different decoration techniques there are no limits to the design.

GLASS FOR A BETTER TOMORROW

Glass is a safe, taste-neutral packaging material for food and beverages. It is also fully recyclable and can be recycled repeatedly without losing its inherent material quality, making it a valuable choice for more sustainable packaging.

As a manufacturer of an environmentally friendly packaging material, we are aware of our responsibility to keep out ecological impact as low as possible. We evaluate and optimize environmental impact as well as energy consumption in all aspects, respects the legal regulations in the field of energy consumption and make a significant contribution to the environment because of continuous improvements and innovations.

OUR GLASS IS:

100% NATURAL	100% INERT	
100% TASTE NEUTRAL	100% RECYCLABLE	
BRC/IoP	ISO 9001 QUALITY MANAGEMENT	
ISO 15378 QUALITY MANAGEMENT	ISO 14001 ENVIRONMENTAL MANAGEMENT	ISO 50001 ENERGY MANAGEMENT

STOELZLE

PRODUCTS

JAR RANGE

FROM BREAKFAST TABLES TO GOURMET SHELVES

Our food jar collection supports every culinary creation. Mini jars are made for moments of indulgence in small portions, spice jars keep aromas vivid and ready to use, and regular jars serve as the timeless companion for preserves, sauces, or ready-to-eat delights. With versatility at their core, our jars help brands bring authentic food experiences into everyday life.

MINI JARS

Perfect for jam, honey, gourmet condiments, or other samplesized creations, our mini jars are ideal for hotels, catering, and product tastings. Designed to offer specialities in a compact format, they combine charm with practicality.

STOELZLE

BOTTLE RANGE

OUR BOTTLES ARE DESIGNED TO ACCOMPANY LIFE'S MANY OCCASIONS

From a refreshing glass of water to a shared family meal or an artisanal soft drink enjoyed on the go. Whether still or sparkling, light or richly flavored, every beverage finds its ideal match in our diverse bottle range. Beyond functionality, our bottles bring a sense of clarity and timeless design that makes every sip feel special.

BOTTLES SMALL

From miniature spirits and wellness shots to juice concentrates, our small bottles are crafted to combine product protection with premium presentation. Available in a variety of shapes and finishes, they offer the ideal solution for sampling, on-the-go consumption, and compact beverage formats.
