# MILK BOTTLES

WE ARE CELEBRATING THE COMEBACK OF GLASS MILK BOTTLES – IN THEIR TRADITIONAL SHAPE BUT LIGHTER THAN EVER BEFORE.

THESE ARE THE REASONS, WHY EVERY CONSUMER SHOULD CHOOSE MILK IN A GLASS BOTTLE:

## SUSTAINABILITY

Glass is fully recyclable and can be recycled in a close loop repeatedly without losing quality.

## APPEARANCE

The milk bottle remains unchanged in its simple but beautiful shape. This certainly brings back childhood memories!

## TASTE

Tasteless, odourless and inert – these properties of glass allow us to enjoy the taste of milk unaffected and pure.

# ONE STOP SHOP

WE OFFER YOU AN ALL-ROUND SERVICE ACCORDING TO YOUR INDIVIDUAL NEEDS

## HIGH QUALITY GLASS

The production of high-quality jars and bottles is our core strength. We pay strict attention to the compliance with international quality guidelines like ISO 9001 and the BRC Food packaging standard.

## BESPOKEN CUSTOMER SOLUTIONS

Individuality is more important than ever to stand out from the mass. Take advantage of the numerous decoration techniques and add value to your product!

## SUITABLE CAPS & CLOSURES

We are aware of the requirements of the dairy industry and are pleased to support you with the appropriate closure systems, united under the general goal of protecting your product as best as possible.

# LIGHTWEIGHT BOTTLES

THE SUSTAINABLE ALTERNATIVE

LIGHTWEIGHT GLASS PACKAGING MEETS THE INCREASED REQUIREMENTS FOR PERFORMANCE, ECONOMY AND ECOLOGY.

- ✓ reduced transport weight
- ✓ reduced energy consumption in transport
- ✓ reduced raw materials
- ✓ reduction in CO<sub>2</sub> emissions
- ✓ reduced costs

# FIELDS OF APPLICATION

## 1. SMOOTHIE

The large twist-off neck enables easy pouring not only juice but also thicker smoothies. The 250 ml bottle is the perfect packaging for a quick smoothie on the go.

## 2. JUICE

The bottles are ideal for preserving fruity specialties. With the different sizes, you can offer your customers exactly the right amount of juice for each everyday situation.

## 3. SAUCES & DRESSINGS

Piquant, sweet, spicy, hot or cold – Glass bottles are ideal for sauces or dressings due to their high heat resistance. Thanks to the practical twist-off neck finish, consumers can easily reseal their bottles and store them for their next use.
